Jio MAMI Film Festival

Mumbai - the financial capital of India is also the epicentre of the Indian film industry. The city plays such a major role in production and dissemination of Indian films and television programs that it is widely known by its acronym 'Bollywood'. In 1997, a group of film industry stalwarts headed by late Hrishikesh Mukherjee founded the Mumbai Academy of Moving Image (MAMI) as a not-for-profit Trust. Their main objective was to organise an annual International Film Festival which the film industry and the country could be proud of. MAMI has been organising the festival for the last 16 years and aims to foster a climate of good cinema. MAMI engages people from all walks of life across the city and country that enjoy and love good cinema. It is Mumbai's only film festival that is entirely created and run by film professionals and a group of members from corporate India. Appreciation of good cinema, stripped off all the limiting labels of art and commercial, can only come about through exposure to the best of films the world has to offer. The Festival is the first step in that direction.

In their Mission Statement in 1997, the MAMI Board of Trustees said, "We feel it is the need of the hour to disseminate and inculcate good cinema among Indian audiences. The only way to achieve this is to celebrate cinema by hosting an International Film Festival in Mumbai, India's film and entertainment capital. MAMI(Mumbai

Academy of Moving Image) is committed to start Mumbai's first independent international film festival organized by practicing film makers.”
